For more than 40 years, Dave Weckl has developed and maintained a reputation among fans, peers, and the international music community, as one of the great living drummers. *Modern Drummer* magazine has inducted Weckl into their Hall of Fame (2000) and named him "one of the 25 best drummers of all time." Has worked with some great musicians like: Simon & Garfunkel, The Honeydrippers, George Benson, Madonna, Michel Camilo, and many more!
